ESTABLISHMENT OF PUBLIC PARTICIPATION NETWORKS

The Working Group on Citizen Engagement was established by the Government in September 2013. The role of this Group was to make recommendations to ensure more extensive and diverse input by citizens into local government. The Group recommended that a *“Public Participation Network” be established in each local authority area to enable the public to take an active formal role in relevant policy making and committees of the Local Authority”*.

In response to this recommendation, Public Participation Networks were set up in each local authority area under Section 46 of the Local Government Reform Act 2014. The aim was to provide a *“framework for public participation in local government by which citizens and communities will be encouraged and supported to participate in the decision-making processes of the local authority”*.

ROLE OF THE PPN

The PPN provides a new way for communities to engage with local government and ensures that they have a say in how Laois County Council works. The PPN is the recognised link through which the Council connects with the Community/Voluntary, Social Inclusion and Environmental sectors in Laois. Specifically, the role of the PPN is to:

- Provide a means for the Council to consult with the public on new plans/strategies, policies, services and supports.
- Act as a platform for groups/organisations to develop policies and positions on issues of common interest and to advocate for these with the Council.
- Facilitate the participation and representation of the community, voluntary, social inclusion and environment sectors on Council committees.
- Strengthen the capacity of groups /organisations to contribute positively to the community in which they reside/participate.
- Provide networking opportunities and act as a hub around which information and ideas are shared.

PPN STRUCTURES AND DECISION-MAKING

STRUCTURE

The PPN is a representative body for groups and organisation from across County Laois. As such, it does not represent the views of individuals. Membership is only open to groups and organisations from the community and voluntary, social inclusion and environment sectors. It is structured on two levels:

- County level (called the "Plenary") . Currently, there are approximately 460 groups/organisations registered with Laois PPN from across the County. These make up the PPN Plenary.
- At local area level (called Municipal District PPNs)

When registering with the PPN, groups/organisations are automatically assigned to the Municipal District in which they are located. There are three Municipal Districts in Laois PPN:

- Portlaoise
- Graiguellen/Portarlinton
- Borris-in-Ossary/Mountmellick

SECTORS

The PPN is also structured into 3 broad sectors. When registering, group/organisations are asked to self-select into 1 of these sectors, as follows:

- Community & Voluntary Sector
- Social Inclusion Sector
- Environment Sector

Diagram 1.1, below, provides a diagrammatic representation of the PPN structure (Pg 6)

PPN DECISION-MAKING PROCESSES

The Plenary brings together all PPN member groups and organisations. It is the decision-making body of the PPN and holds meetings at least twice per year. Decisions of the Plenary are implemented by the Secretariat.

PPN SECRETARIAT

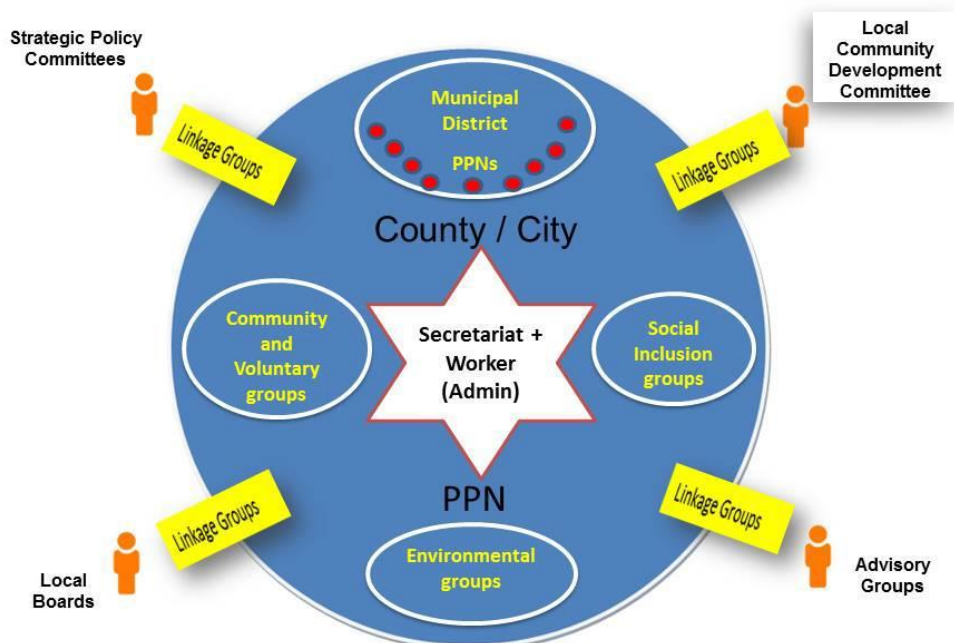

The Secretariat is the organising body of the PPN. There are 12 seats on Laois Secretariat, comprising 3 representatives from each of the 3 Sectors and 1 from each of the Municipal Districts.

The role of the Secretariat is to:

- Facilitate the implementation of decisions of the PPN Plenary
- Ensure the proper functioning of the PPN and co-ordinate its activities.
- Communicate extensively and regularly with all PPN members and disseminate information concerning PPN activities as widely as possible.
- Work closely with the Resource Worker to support him/her to deliver PPN objectives.
- Ensure that PPN representatives represent the views, interests and priorities of the PPN and not those of their own group/organisation.

Facilitator is appointed from within the Secretariat on a agreed basis and is alternated to ensure a gender balance is maintained within the role. As all Secretariat members have equal status, the Facilitator's primary role is to conduct meetings in an orderly and productive manner.

INFLUENCING COUNCIL POLICY AND DECISION-MAKING

LINKAGE GROUPS

Your group/organisation is encouraged to join one or more of Laois PPN Linkage Groups. These are thematic sub-groups of the PPN which correspond to the services and programmes delivered by the Council and other agencies in the County. Linkage Groups bring together PPN members that have either a remit or an interest in these services/programmes.

Linkage Groups provide a mechanism for the PPN to influence policy and decision-making. It does this by electing representatives from Linkage Groups to sit on Council committees and other fora on its behalf. Through these representatives, the PPN participates in shaping policies that affect Laois communities, and is kept up-to-date with developments in the Council and other organisations.

Representatives take direction from, and provide feedback to, Linkage Groups in a manner which ensures openness and accountability. For more information on representatives, see Section 3.2.

There are 8 PPN Linkage Groups in Carlow, feeding into the following fora:

- Sport
- Youth
- Active Retirement/Elderly
- Tourism
- Tidy Towns
- Local Development
- Policing
- Disability

LINKAGE GROUP MEMBERS AND REPRESENTATIVES

Membership

By becoming a member of a PPN Linkage Group, your group/organisation can participate in the day-to-day functioning of the PPN in the following ways:

- Nominate candidates in elections to elect PPN representatives onto Council and other committees.
- Vote in the elections to select PPN representatives.
- Engage with the regular updates from PPN representatives.
- Participate in Council consultation processes.
- Develop agreed positions with other Linkage Group members on matters of interest.
- Network and share information and ideas with other Linkage Group members

REPRESENTATIVES

The role of PPN representatives is an active and participative one which requires commitment and time. Representatives are required to represent the views of their Linkage Group as a whole, and not their own personal views, nor those of their Municipal District, Sector or Nominating Body.

Representatives are required to communicate regularly with their Linkage Groups to ensure they are bringing agreed and relevant issues to the committee on which they sit. They are also required to report back regularly to Linkage Groups using the standard PPN reporting template. Further information on the rights and responsibilities of PPN representatives can be found in the *Laois PPN Representatives Charter, PPN Policies Document and PPN Code of Conduct*.

COUNCIL POLICY-MAKING STRUCTURES

STRATEGIC POLICY COMMITTEE (SPC)

The Council is the decision making authority of Laois County Council. It is the task of the SPCs, as committees of the Council, to advise and assist the Council in the development and review of policy. The remit of the SPCs is to deal only with policy matters and, therefore, they are strategic in nature. They have no remit in relation to routine operational matters regarding the delivery of services. The SPC system ensures that Councillors and relevant “sectoral interests”, including the PPN, are involved in the policy making process from an early stage

There are 4 SPCs in Laois County Council, which broadly correspond to the Council’s services:

- Economic Development, Enterprise and Planning SPC
- Transportation, Environment and Emergency Services SPC
- Housing SPC
- Community, Social, Cultural and Heritage SPC

LOCAL COMMUNITY DEVELOPMENT COMMITTEES (LCDC)

The aim of the LCDC is to develop, coordinate and implement a coherent and integrated approach to local and community development. Its functions are:

- To prepare the community elements of a 6-year Local Economic and Community Plan
- To oversee the implementation of local and community development programmes that have been approved by the LCDC
- To improve the coordination of public-funded local and community development programmes and to reduce duplication

OTHER COMMITTEES

Laois PPN also elects representatives to sit on the following committees:

- Joint Policing Committee (JPC)
- Local Community Development Committee (LCDC)
- Laois Heritage Forum
- Laois Tourism
- Laois Sports Partnership
- Locallink
- Laois Partnership
- Laois County Childcare Committee
- Laois County Council Placenames Committee
