The Town & Village Renewal Scheme

2021

The **Town & Village Renewal Scheme 2021** funded by the Department of Rural and Community Development, is part of a package of national and local support measures to rejuvenate rural towns and villages throughout Ireland. The **2021 Scheme** will place particular emphasis on projects supporting remote working and enhancing town centre living as outlined in "**Our Rural Future - Ireland's Rural Development Policy 2021-2025.**" The **Town and Village Scheme** will support these objectives and will encourage more people to return confidently to town and village centres to work, shop and socialise. The maximum grant available in 2021 will increase to €500,000 to permit projects of additional scale to be funded. Projects that support the economic and social recovery of our town and villages in response to COVID-19 will continue to be supported.

The **2021 Scheme** will be targeted at two categories of Towns / Villages as follows:

Category 1: Towns and Villages with a population of up to 5,000

Category 2: Towns with a population of 5,001 to 10,000

Larger towns with a population of up to 15,000 people may be eligible where the application is of a high quality and outlines a strong need for the investment, good value for money and positive outcomes that will have a substantial impact on the town. The inclusion of these towns is being introduced on a trial basis in 2021 and will be reviewed.

Grant Levels

For the **2021 Scheme**, the minimum grant which is available is €20,000. The maximum level of grant funding available is being raised to €500,000 in respect of one application from each Local Authority. A maximum of €250,000 will apply in respect of 2 applications and €100,000 in respect of 4 applications.

In light of the ongoing challenges presented by the COVID-19 pandemic, the maximum grant level has been set at 90% of the total cost of a project under **the Town and Village Renewal Scheme**. The remaining 10% match funding must be contributed by the Local Authority and /or the Community and / or Philanthropic contributions - this can take the form of 5% cash contribution (minimum level) and 5% in-kind contribution (maximum level).

Project Development Measure:

A new Project Development Measure (up to €50,000) is being introduced this year. This Measure is being introduced on a trial basis in response to requests from Local Authorities for such an intervention. The new Project Development Measure is similar in nature to the **Category 2** projects under the **Rural Regeneration and Development Fund (RRDF)**. The purpose of this measure is to assist Local Authorities to contribute to a pipeline of significant, well, developed projects which might be subsequently progressed to construction stage, subject to the availability of further funding.

The approval of funding under this category does not automatically guarantee future support under **the Town & Village Renewal Scheme** for delivery of the emerging project - the resulting projects need to be submitted as normal under the competitive **Town & Village Renewal Process**.

See the link below for Town & Village Renewal Scheme Outline and Town & Village Renewal Scheme Expression of Interest Application Form:

Closing date - All Expression of Interest should be received no later than **4pm on Friday 4th June 2021**, by post or email

Competition

The Minister for Rural and Community Development, Heather Humphreys TD, has announced the return of the **SuperValu TidyTowns Competition**.

The iconic competition was cancelled in 2020, for -the first time in over 60 years - due to the COVID-19 Pandemic.

But special arrangements have now been put in place to ensure the return of the competition this year, with the overall winners due to be announced before the end of the year.

The **2021 SuperValu TidyTowns Competition** will take place in the same format as previous years, albeit with a specific emphasis on electronic entry and remote adjudication of each town's entry.

Groups should continue to adhere to public health guidelines as they have done so remarkably well since the onset of the Pandemic.

The health and safety of volunteers continues to be paramount.

It is acknowledged that volunteers have not been able to deliver on all of the plans that they may have had for their towns, and the competition adjudicators will be mindful of this fact when assessing entries.

At the same time, many groups have still been very active and the standard of competition is expected to be high again this year amongst the almost 1,000 TidyTowns groups around the country.

Above all, staging the competition this year is a recognition of the extraordinary contribution volunteers continue to make to their communities, even during the Pandemic itself.

For this reason, Minister Humphreys has introduced a new award category aimed at groups that have continued to serve and look after their communities despite the difficulties posed by COVID-19.

The Minister has also introduced a special prize for young people, which was committed to under Our Rural Future - the Government's ambitious new strategy for Rural Ireland.

Minister Humphreys announced a €1 million fund in December 2020 to further support the TidyTowns groups across the country.

Further details on the competition and access to supporting resources are available at:

Volunteers from a range of organisations in Laois gathered to help launch the new Laois Volunteer Centre. Award-winning volunteers were among those who gathered at Fitzmaurice Plaza in Portlaoise's Old Fort Quarter with Laois County Council Cathaoirleach Catherine Fitzgerald to help get the new service off the ground.

Laois PPN represented by Resource Worker, Dan Bergin were delighted to be part of the launch of the Laois Volunteer Centre.

The launch of the independent service took place during what is National Volunteering Week, which runs from May 18th to 23rd.

The Laois Volunteering Centre, fronted by Laois woman, Caitriona Ryan from Ballyfin, will help people who want to volunteer in their community to find suitable volunteer roles and will help local non-profit organisations to recruit volunteers. Ms Ryan was recently appointed as the new manager of Laois Volunteer Centre and is looking forward to the centre becoming a 'one-stop-shop' for volunteerism in Laois. "I am so delighted to be the manager of this new Laois Volunteer Centre," commented Ms Ryan. "This is a very exciting time for Laois and I greatly look forward to working with people and organisations who want to volunteer in Laois and connecting them for volunteering opportunities for the benefit of the individual and their communities".

The aims of Laois Volunteer Centre are:

- to promote the value of volunteering and civic responsibility and to increase the range and quality of volunteering; and
- to increase access to volunteering by offering a support service to the public and volunteering involving organisations (VIOs);
- and to carry on these charitable purposes for the benefit of the inhabitants of Co Laois and its environs.

Conor Ganly is the chairperson of the new Laois Volunteer Centre Board and commented that it's great to see the months of work preparing for the set-up of this centre coming to fruition. "Great work has been done in relation to volunteering in Laois. This was in no small way thanks to the late Anne Goodwin and the work done by Laois Partnership and local volunteer organisations such as Tidy Towns. "However, with this new dedicated volunteer service, headed up by manager Catriona Ryan, we will have a dedicated space with staff resources to focus on making volunteerism a success here in Laois. Having a dedicated centre will help to develop an environment and set of support structures that facilitates the highest standards in Laois", said Mr Ganly.

Mr Ganly said the new centre has been made possible with thanks to the invaluable funding from the Department of Rural and Community Development under an initiative spearheaded by Minister of State at the Department of Rural and Community Development, Joe O'Brien.

He also paid tribute to the vital contribution of Volunteer Ireland for their assistance. Mr Ganly also thanked the Board Members for their work. They are: Allen Boyle (Secretary), Catherine Corbett (Treasurer), Pauline Flanagan (Director) and Georgina Ireland (Director).

For local organisations that involve volunteers, Laois Volunteer Centre will advertise their volunteering vacancies and provide free volunteer referral service. If you are a volunteer or are an organisation who would like to register with Laois Volunteer Centre, please either download the 'I-Vol' app on your phone or visit
