

The background features a green-to-blue gradient with several circular elements. A prominent scale on the left side ranges from 140 to 260 in increments of 10. Other circles include dashed lines with arrows indicating clockwise or counter-clockwise rotation, and solid lines with partial arcs.

# POSITIVES OF PPNS

REMEMBER THE BASICS

# BEFORE PPNS

No formal method of involvement for local groups

No single organisation for C&V, Social Inclusion and Environmental Groups

Little opportunity for involvement of environmental groups

Potential membership of SPC's

PARTICIPATION – INFLUENCING  
POLICY

INFORMATION – TWO WAY FLOW  
TO ALLOW INFLUENCE OF POLICY

CAPACITY BUILDING – HELP AND  
GROW MEMBER GROUPS

## 3 MAIN FUNCTIONS OF PPNS

# COLLEGE STRUCTURE

Allows voices in the maybe less popular areas of social inclusion and environment be directed at the relevant policies of the LA and other committees.

Allow specific focus

# FLAT STRUCTURE

Guidebook – Spread the love and workload

Non – hierarchical

Once explained, it's easy to understand

Once tried and understood people come on board and get involved

More friendly and less of a chore

No power grabbing or staying in place for ever

Equality of participation – increased organisational, meeting and facilitation skills.

Transparency

Accountability

Inclusivity & Diversity

# PARTICIPATION

Opportunity for participative involvement in SPCs and other committees

The structure is there – just needs to be done properly and with respect

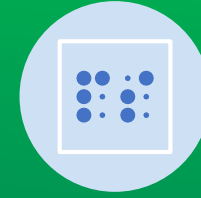

Full involvement in LCDC's and LAG's – Due to EU Locally led policies.

Information on submissions for groups and opportunity for PPN to submit if it so decides.

# INDEPENDENCE

So much easier

Participate with the LA  
not participate as part  
of the LA

In participation LA  
cannot be on both  
sides of the argument

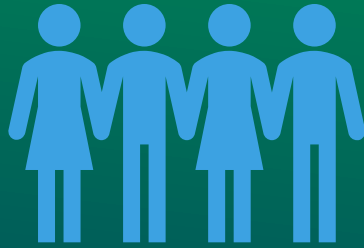

Other hosting  
arrangements

Absolutely appropriate  
that LA and  
Department have  
oversight of how the  
money is spent – it is  
public money

# WELLBEING STATEMENTS

A well founded basis of what PPN groups see as their wish for the County

Basis of all interaction with the Local Authority as it lays out the wishes for which the PPN should strive

# STILL GROWING

Improvements can  
and should  
counter-act  
problems

Working together  
Nationally &  
Regionally on many  
important issues
